One of KHPT Supervisors (Girish Rathod) took the initiative of getting 20 toilets constructed for the households in the tanda where he HIS WIFE WORKED AS Village Nutrition Volunteer and he assisted her. Girish was really motivated to bring about some positive change in the tanda where he was working. Therefore took up the initiative of toilet construction, by motivating the villagers to give applications to the Village Gram

He has invested nearly Rs 1.5 lakh from his personal money, for getting the toilets constructed for 20 families?

He belongs to Hanumanayak tanda, K Irubagira panchayat of Devadurga taluk. 10 toilets have already been constructed in the month of May 2016, the remaining 10 are being constructed.

He has now also submitted applications on behalf of the households and is yet to receive the amount he initially invested. This supervisor is really motivated towards bringing about a positive change in his tanda and is the driving force behind construction of toilets in this remote tanda.
